THE 6TH ICB PHARMA AUTHOR GUIDELINES

1. Authors who wish to **make a presentation (only)** are required to submit an abstract via the ICB Pharma 6 website. It is imperative that submitted abstracts adhere to the ICB Pharma 6 abstract template, which can be accessed via the following link: https://conferences.ums.ac.id/pharma/scheduled/pharma6/page/reg .

2. Authors who wish to **make a presentation and publication** may submit a full paper through the ICB Pharma 6 website. Full papers submitted must adhere to the ICB Pharma 6 full paper template, which can be accessed via the following link: https://conferences.ums.ac.id/pharma/scheduled/pharma6/page/reg .

3. The organizing committee will issue a **Letter of Acceptance (LoA)** as an official statement that the participant's **abstract or full paper may be presented** at the ICB Pharma 6 event.

4. For the **purpose of publication**, the organizing committee will issue **a letter of recommendation for publication**. This letter will state that the participant's full paper **is recommended for publication** in the ICB Pharma 6 partner journal.

5. Subsequent to the initial submission, authors **are required to** submit their full papers independently to the selected journal, by attaching the recommendation letter from the ICB Pharma 6th organizing committee. Authors must conform to the template of the selected journal. The URL link to the partner journal is provided in the following link: https://conferences.ums.ac.id/pharma/scheduled/pharma6/page/publication .

6. The submission process, review process, and APC payment adjusting to the mechanisms and provisions of the selected journal.

7. The **decision to accept a manuscript for publication** is determined by the Editor in Chief of the journal in question.

8. For IJAP, the committee will submit articles collectively. Authors make APC payments through the committee, which will then make collective payments to the IJAP journal.
